

## Statement of Peer review

In submitting conference proceedings to KnE publishing, the conference editors confirm the following:

- They adhere to Knowledge E Policy on Publication Ethics and Publication Malpractice Statement
- All submitted conference papers have passed a peer review process conducted by the Chief Academic Editor of the conference
- The conference submissions have went through double blind review process and there were 10 reviewers involved
- All the editors have taken all mandatory steps to ensure the quality of the manuscripts they publish, and their decision to accept or reject a manuscript for publication has been based only on the quality of the produced work.
